

WELCOME

Our team is here to walk alongside you as you parent and teach your children about God.

Our goal for Sundays is to create a safe place where kids can experience the Love of God, hear more about Jesus, learn about their identity in Christ, build friendships, ask questions, and have FUN!

We want each child to connect with God, a leader and other kids.

We have resources to assist you in their spiritual journey and would like to help as much as possible.

Please don't ever hesitate to ask questions or share ideas to help us be better!

first look™

First Look is a time and space for infants, toddlers, and preschoolers through Junior Kindergarten to play in a safe environment under the supervision of our screened volunteers during the service.

We use the First Look Curriculum from  orange for the preschoolers which involves stories, music, and activities that help kids discover Jesus in an age-appropriate way.

The First Look rooms are located to the right of the registration desk, just off the main lobby.

252 KIDS™

my call #?**

Pick up Time

Step ONE:

Report to the Kids Registration Desk with a volunteer to begin pick up process.

Step TWO:

Go into Kids Church (First Look or 252), tell the volunteer which kid(s) you are picking up and **SHOW** your pickup tag.

Step THREE:

When you leave, take your kid with you! (You'd never actually leave them behind, would you?)

Wellness Policy

Kids & Volunteers are not permitted in Kids Church if they have or have had any illness symptoms in the last 24 hours.

(Basically, we like to share, just not any germs or bugs.)

Ages & Stages

We want your kids to have the BEST time at Kids Church, and have a program for their age group! Often siblings like to be in the same class. (we get it, separation can be hard!)

If absolutely necessary for your children to stay together, the older child will go with the younger one.
